Why Would I Want to Attend?

Point #1

You will learn about practical information and resources on different career options. Learn about medical esthetics, forensic nursing, medical coding and billing, legal nurse consulting, life care planning, case management, massage therapy, fitness nursing and so much more.

Point #2

You will be able to define and describe five career options available to nurses; define three sources of job openings; describe three elements of an effective resume; list three steps to a successful interview; identify two predicted growth industries for nurses.

Point #3

If you are already working and looking for a change or if you are a new nurse who is looking for a non-traditional job opportunity this is a good seminar for you.

Point #4

You will earn 7.0 contact hours.

Gannett Education, formerly known as Nursing Spectrum Division of Continuing Education, is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
